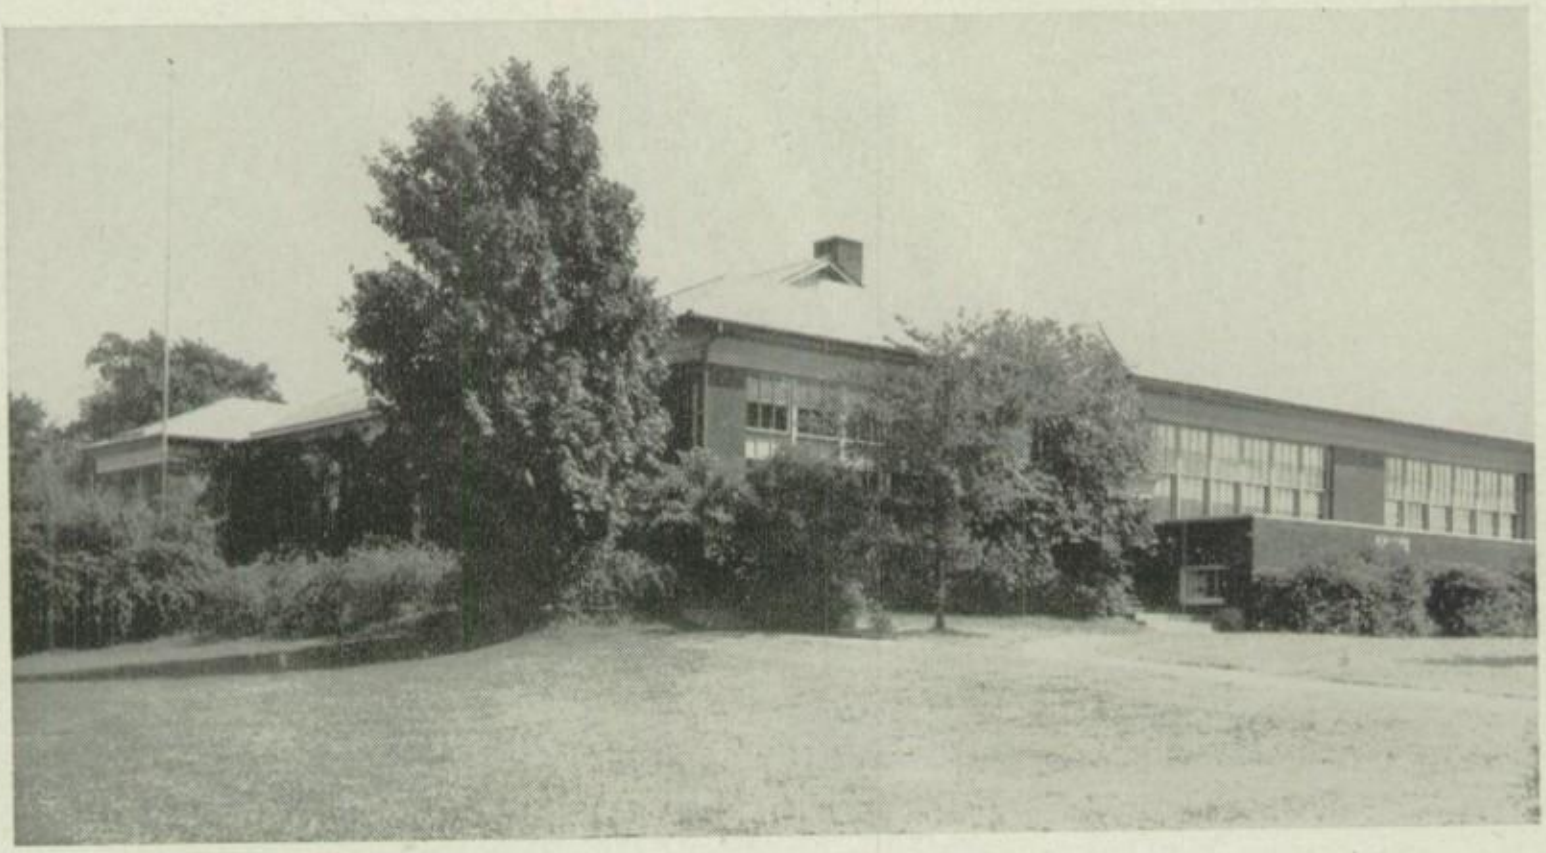
SHAMROCK

OF 1945

VOLUME V

Produced by the

Senior Class of East Wheatfield-Armagh High School



Alma Mater

On the William Penn Highway
'Neath a sky of changeful hue
Stands our beloved high school—
E'er to her be true!
Join the chorus, sound its praises
Over hill and dale:
Hail to thee, O, Armagh High School
Hail to thee, All Hail!

Come and join in song together,
Shout with might and main—
Our beloved Alma Mater,
Sound its praise again,
Here's to her whose name we'll ever
Cherish in our song;
Honor, love, and true devotion
All to her belong.

School Snaps

JUNIOR - SENIOR BANQUET, 1944

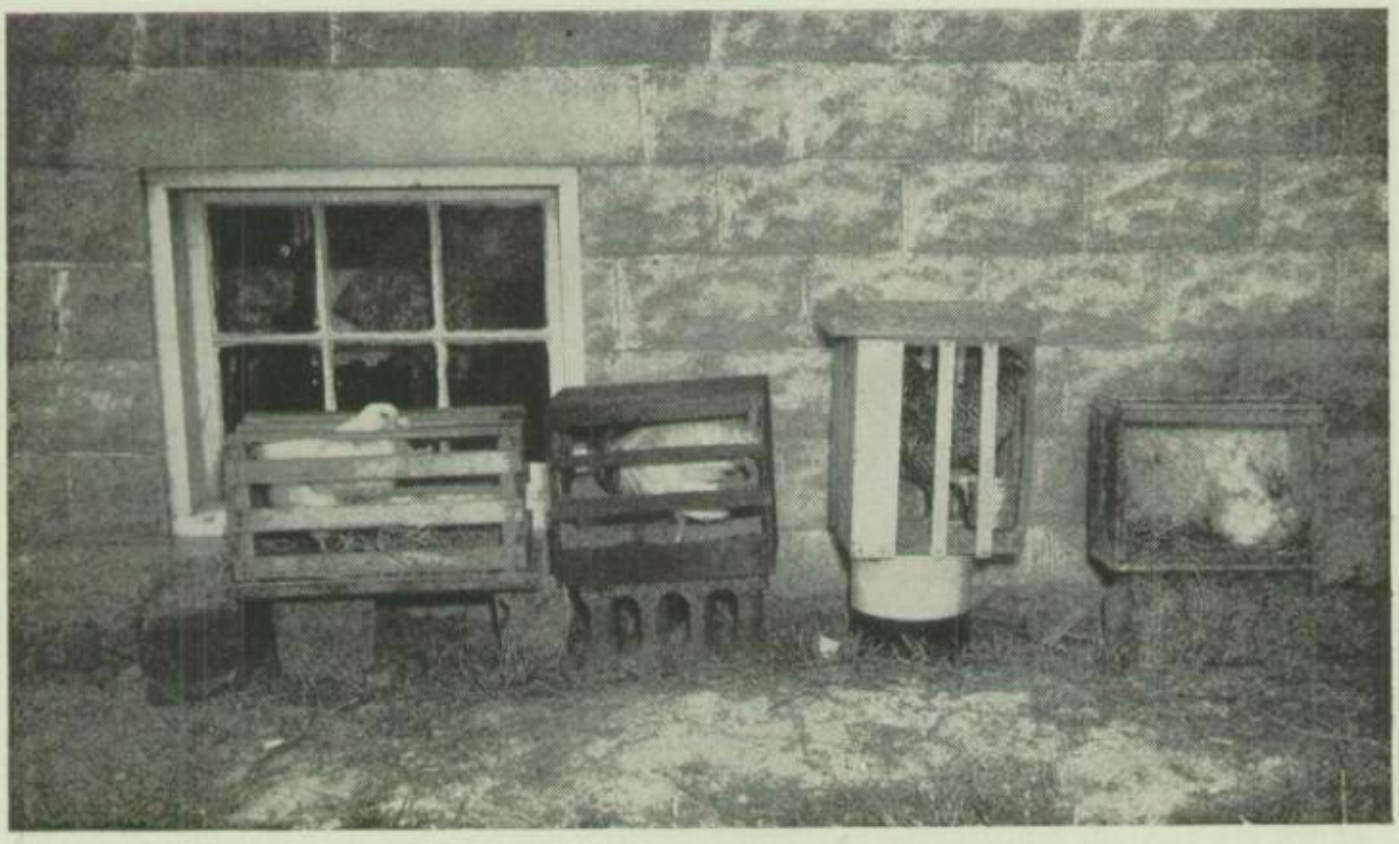
Don't we all look dignified and grown up??

GRANGE FAIR EXHIBITS

These are our future dairy farmers. Don't you think we will enjoy their products?

F. F. A.

These boys are going to be the farmers of the tomorrow yet to come.

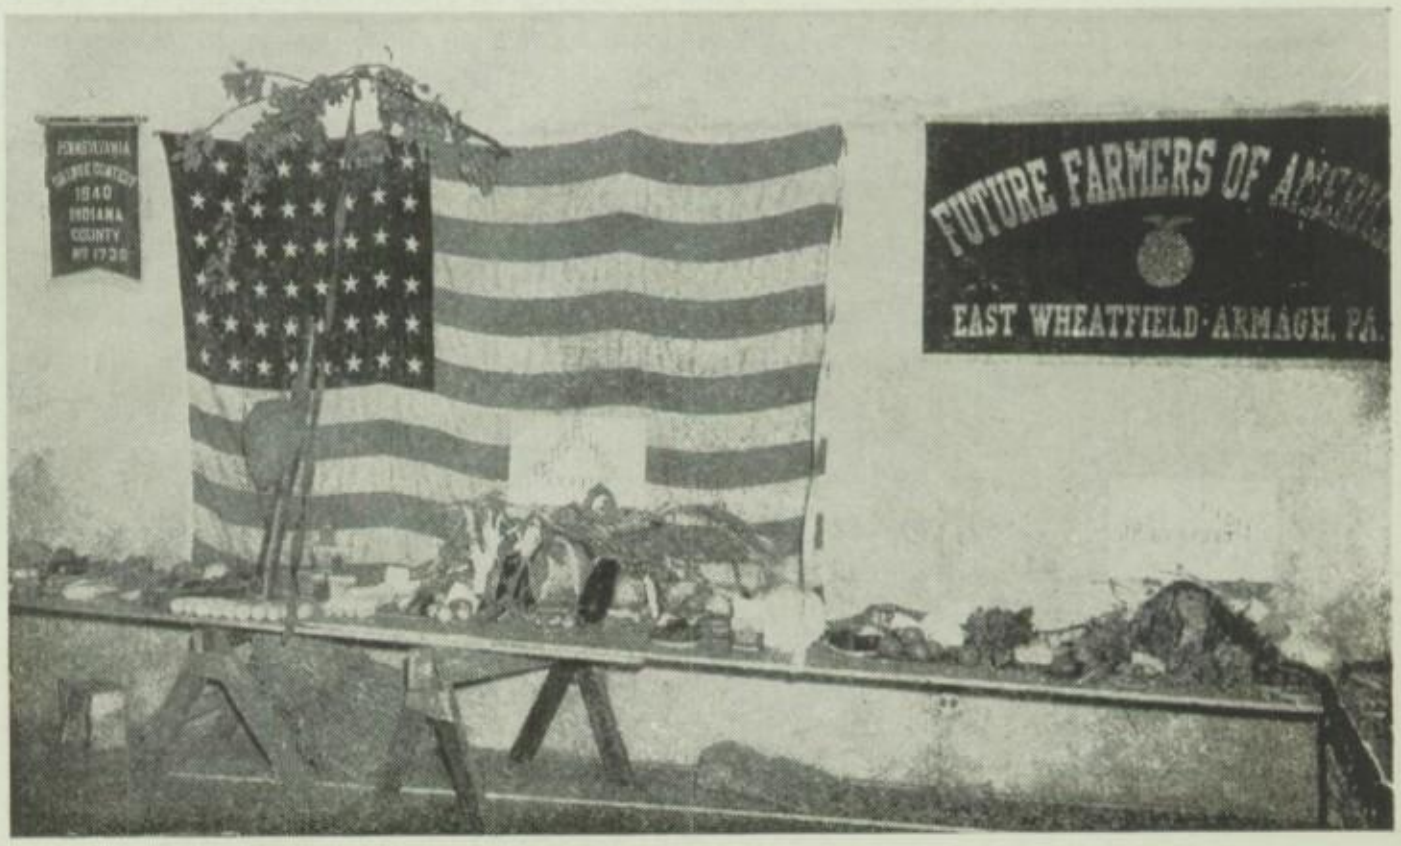


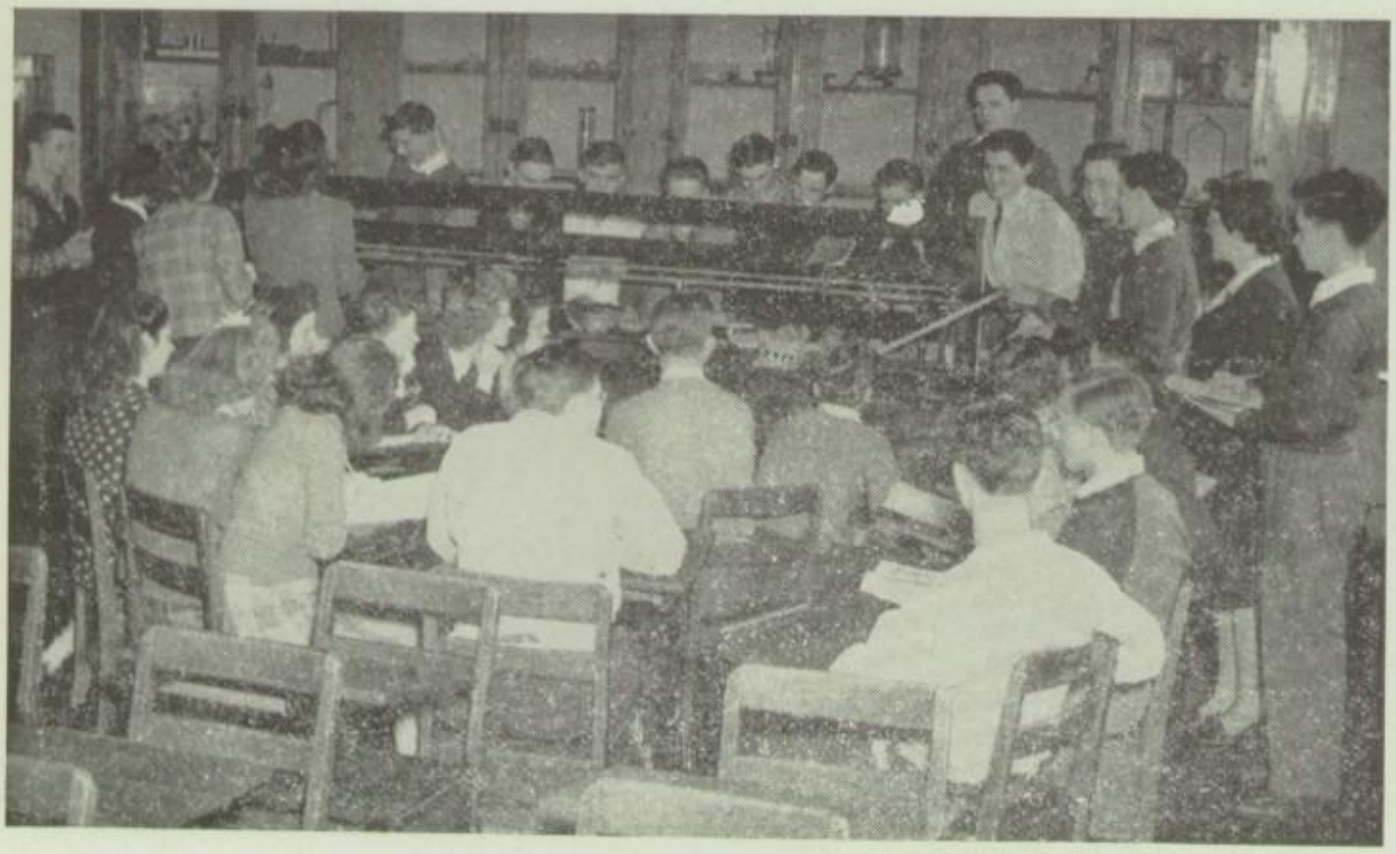
Grange Fair Exhibits

These prize hens and roosters were raised by some of the F. F. A. boys. Wouldn't you like one for Sunday dinner?

Vegetable Exhibits

Some of these vegetables were prize winners at the Grange Fair, and they were grown by our F. F. A. boys.





Physics Lab.

There is an important experiment going on, but I'm not sure what it is. Let's ask one of the students.

Agriculture Building

Here is the building in which many of our boys and also men above the school age have learned the art of farming and how to become better farmers.

Senior Typing

When we began our course in the fall most of the girls were planning on office jobs, but now some of them are anticipating going into U.S. Services. It just goes to show that girls are still as changeable as ever.

Junior Typing

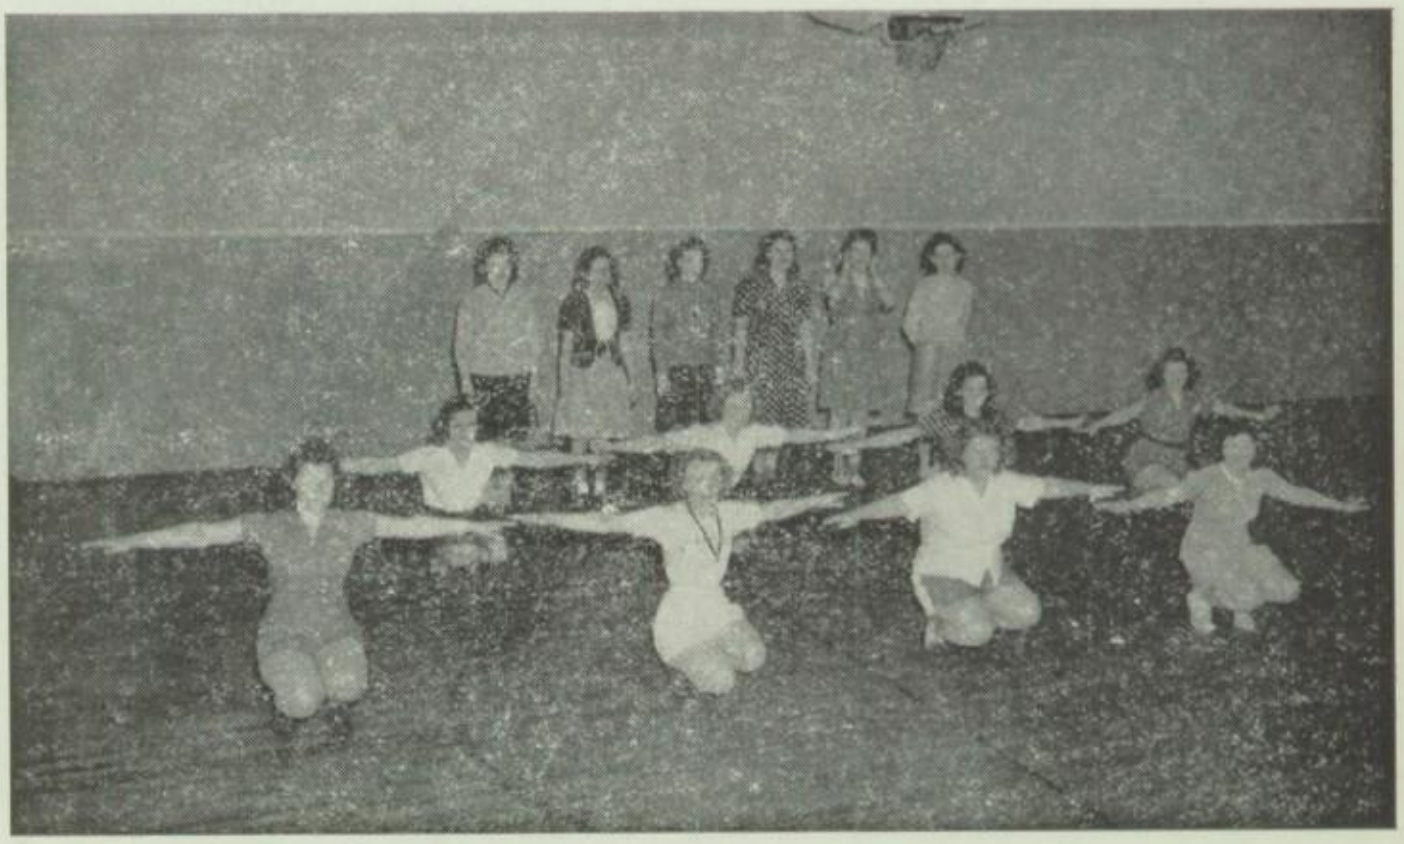
Just beginning but they have hopes of becoming expert, and no doubt they will be.

Senior English Class

Hm-m—Wonder what they are writing. I wonder if it could be a research theme, or is it the three act play.

Senior Girls' Physical Education

We're still a little stiff from our first day in Gym, but we'll be fine in a few days (I hope).



Junior Class Meeting

There is a great deal of business to be carried on in a Junior Class meeting. If you doubt my word, ask someone who has been a Junior.

Senior Club

This club was organized for the purpose of gathering money for our school, and it has done much in making our yearbook possible.

Ag. Shop

Mr. Oellig had a difficult time making the boys stop working long enough to have their picture taken. I wonder if that is so at all times!

Dance Club Officers

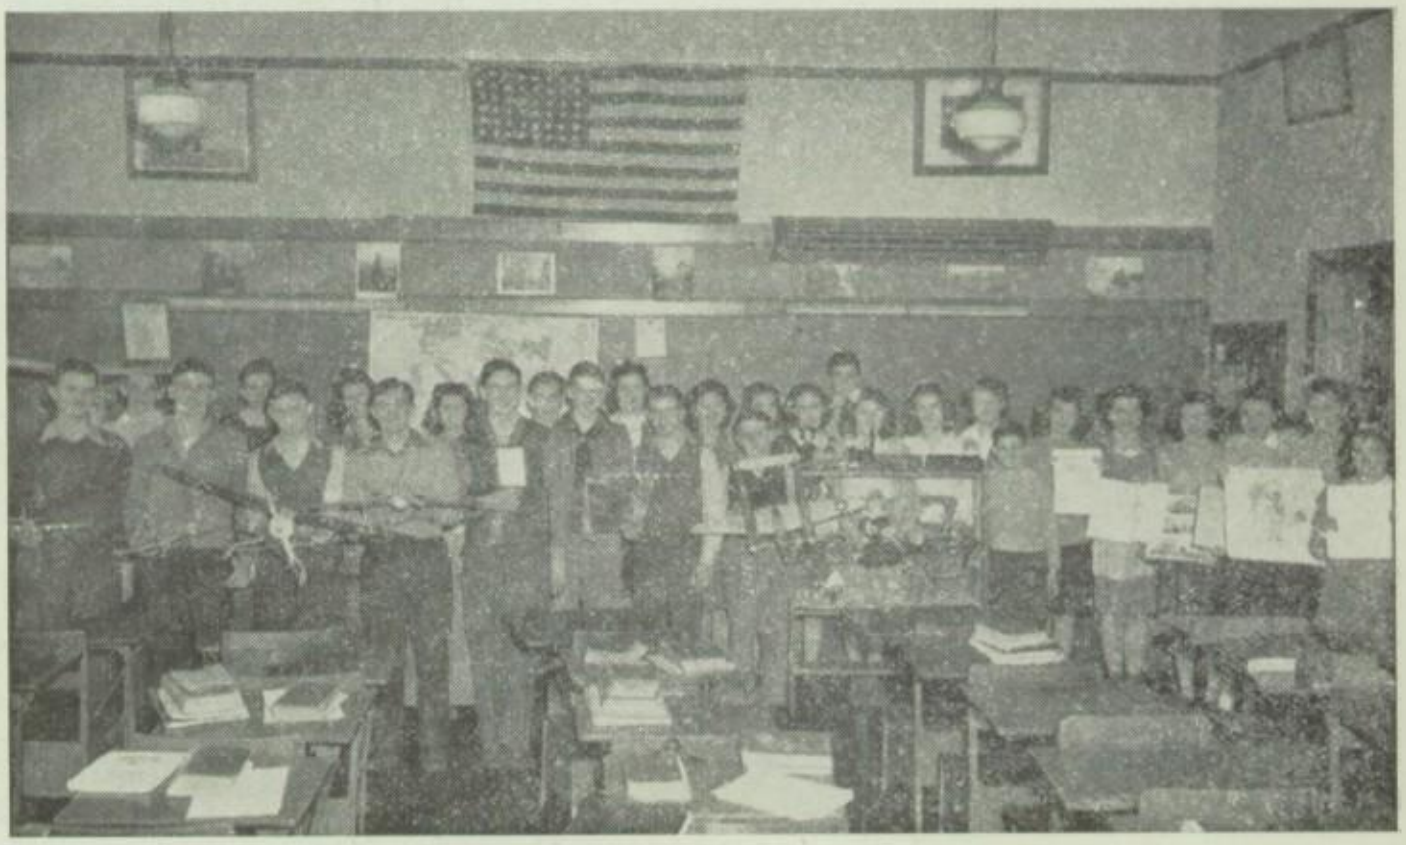
The Dance Club must be deciding what new records to buy. Please include my favorite.

Dancing

If you were to come to our school at noon on either Monday or Wednesday, this would be a sight that you would most certainly see.

World History Projects

These are our Sophomores and the projects that they have made under the direction of Miss Liggett.



Honor Roll

We are very proud of our honor roll that was bought through the efforts of the Student Council. We are even prouder of the boys and girls whose names appear on it.

A. B. Club

The members of this club have attained a B average or better and I'm sure that they have worked hard to acquire this high average.

Biology Class

This is at Mr. Spence's Biology class and I'm sure he is waiting impatiently for warm weather so he can take his students on a field trip.
